

AGREEMENT

THIS AGREEMENT made and entered into this _____ day of _____, 20_____, by and between the Town of Meeteetse, a Wyoming municipality, hereinafter referred to as “Meeteetse” and _____, hereinafter referred to as “Contractor,”

W I T N E S S E T H:

WHEREAS, Meeteetse and Contractor have entered into an agreement for Contractor to complete a project involving certain items identified in Exhibit A attached hereto and made a part hereof, and

WHEREAS, it is necessary that Contractor complete the project in accordance with the terms and directions of Meeteetse, and

WHEREAS, the parties have agreed that as a condition of completion of the project, the construction include the clean-up and rehabilitation of the construction area in accordance with the terms and conditions of Meeteetse,

NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE MUTUAL COVENANTS AND AGREEMENTS HEREIN SET FORTH, it is agreed as follows:

1. Prior to finalization of the construction project for Meeteetse, Contractor will review with the appointed official from Meeteetse the completion of the project.
2. Upon approval of Meeteetse, the appointed official will sign a release of any further responsibility for clean-up and rehabilitation of the construction area.
3. Nothing herein shall be interpreted as a release of liability for completing the construction project in a good and workable manner.
4. Town must be provided a copy of current liability insurance.
5. It is required that all work to be done is by universal building code (i.e. electrical, plumbing, etc.)

DATED the day and year first above written.
